## Introduction

Greetings Perspective Students!

Our **Homeopathy Course for United Kingdom by Professor George Vithoukas** for health professionals, experienced homeopaths, 1st time students, and new practitioners at the International Academy of Classical Homeopathy is a distance learning practitioner program. Classes are presented in real time in our online classroom for students in United Kingdom.

The most accomplished homeopaths and professors of homeopathy in the world were students of Professor Vithoukas. At IACH, students learn directly from Professor George Vithoukas lectures and wealth of homeopathic experience and knowledge. This program is a life changing experience for both experienced homeopaths and new students of homeopathy alike. Advanced homeopathic practitioners who have taken our course after many years of professional practice are astounded by how much more they learn from this course.

We welcome our new Class of 2024.

The program presents the core teachings and lectures of Professor George Vithoukas, where he shares his knowledge gained from over 60 years of experience. Our education is based on the highest educational standards according to the principles of Dr Samuel Hahnemann, and is the only Homeopathy Course adopted as a Postgraduate Course by several Medical Universities from around the world.

**Our 2 year Diploma from the International Academy of Classical Homeopathy at Alonnisos Greece and the Vithoukas College of Classical Homeopathy, UK have been awarded with a certificate of Quality Assurance from the Faculty of Homeopathy, UK. This includes an appraisal of the course ethos, organisation, programme content, educational level, teaching and assessment. <https://www.facultyofhomeopathy.org/>**

At the International Academy of Classical Homeopathy, we are at the forefront of homeopathic Research and the implementation of homeopathic integration in the international medical community. Research papers by Prof. George Vithoukas and his Research Team, displaying impressive cured cases with Homeopathy, are published in peer review medical journals and can be viewed at <https://www.vithoukas.com/research/clinical-cases/> and <https://www.vithoukas.com/research/scientific-papers/>

Our Research Team has been invited to and presented papers at many International Medical Congresses of the highest standards in terms of new ideas in Medicine, which have application

not only in homeopathy, but for general medicine as well.

Classes are held on line via Zoom. This course is running online in the UK as part of the E-Learning Course based in Greece.

Mrs Fusun Minkari, Diploma Holder of IACH, is the Primary Instructor.

Students interested in applying for the 2024-2026 program, should complete and return the application <https://vithoukascollege.co.uk/register/> and send their full Curriculum Vitae and scanned copy of their Diploma (of any science) to our Administrator Mrs Nicole Cheah, [groups@vithoukas.com](mailto:groups@vithoukas.com)

Please see the **Testimonials of our Graduates:** <https://vithoukascollege.co.uk/testimonials/>

We are very excited to welcome prospective new students of Classical Hahnemannian Homeopathy as well as established Practitioners. We are here to answer any questions you might have. We look forward to hearing from you!

## **Homeopathy Course for United Kingdom by Professor George Vithoukas**

This Course consists of 2 Year Course in Attendance and one additional (Third) year of online submission of 10 cases for students proceeding to the Diploma of IACH. (10 cases with follow ups of six months – at least 2 follow ups)

In the event that you decide not to proceed to the Diploma of IACH, please be informed that you will be exempt from the final exams and are not required to submit the 10 cases. Instead, you will receive the Certificate of Attendance.

**Participation in the Course signifies that you have read, comprehend and accepted all the provisions and terms outlined in the Student Agreement**

## **Courses in Alonissos**

Each year Professor Vithoukias teaches a number of seminars throughout the summer months for current and postgraduate students to attend live at the International Academy of Classical Homeopathy in Alonissos Greece.

<https://www.vithoukias.com/education/courses-alonissos>

All Students and Alumni are encouraged to attend. Each Course consists of a wide selection of live cases and their management, which includes case-taking, case analysis, pathology evaluation, comparison of remedies, homeopathic philosophy, prescribing strategies and an in-depth insight into some of the difficulties encountered in a homeopathic practice. The Courses are intended to illustrate the correct application and thought process during case-taking, and how a proper analysis and process of evaluating symptoms and their synthesis can result in the accurate homeopathic remedy - the similimum.

Since 2020, these Courses have been canceled due to the Covid-19 restrictions of gatherings.

## **Webinars**

International Academy of Classical Homeopathy is organising 12-hour Webinars in the Watch and Learn Series three times per Year. These webinars are likely designed to help students

- Discover the keys to the management of effective case-taking
- Understand the implementation of the groundbreaking theories “Levels of Health” and the “Continuum of the Unified Theory of Diseases”
- Develop an in-depth insight into the evaluation of symptoms
- Get inspired by the wisdom of Professor George Vithoukias’ 60 years of experience

## **Continuing Education Sessions (CES)**

The International Academy of Classical Homeopathy is organizing Continuing Education Sessions for

- our Diploma Holders,
- our students who have completed the full Course and have received Certificate of Attendance and,
- E-Learning students who are in the stage of submission of their cases.

These Continuing Education Sessions provide a valuable opportunity for our Graduates to delve into well documented cases, enhancing their knowledge and gaining experience in homeopathic practice.

## **Anatomy, Physiology & Pathology Courses**

Student must have taken Anatomy, Physiology and Pathology during their undergraduate studies or acquire these class credits during the course of the three-year practitioner program.

The International Academy of Classical Homeopathy offers an accredited course in Anatomy, Physiology and Pathology to our students without medical background. This specific course is an online course in Anatomy, Physiology and Pathology (the VTCT Level 3 Certificate in Anatomy, Physiology and Pathology for Complementary Therapies, UK & International). The total qualification time for the course is 130 hours. Students of IACH are offered a discount for this program. A free trial of a portion of the anatomy and physiology tutorial is available here: <http://www.essential-training.co.uk/training/apdemo06/apdemosept06.html>

For more details, please visit <https://vithoukascollge.co.uk/anatomy-pathology-physiology-course/>

**Completion of this Course is prerequisite for students before undertaking their final exams.**

## **Programmatic Objectives**

### **Statement of Purpose:**

The purpose of the *International Academy of Classical Homeopathy* is the professional education of medical doctors, medical students, health practitioners, existing homeopaths, and also those from other diverse areas of education and (medical) science in order to become effective Classical Homeopaths, according to the principles of its Founder, Dr. Samuel Hahnemann.

### **Mission Statement:**

As a paradigm of distinguished and superlative education in genuine Classical Hahnemannian Homeopathy, the *International Academy of Classical Homeopathy* advocates premier excellence in instruction to establish and foster leaders in the homeopathic community who are dedicated to this scientific art of healing in order to:

- Become practising Classical Homeopaths,
- Gently restore the sick to health and alleviate the suffering of others,
- Establish respectful and compassionate standards for patient treatment and care,
- Promote the Science of Homeopathy,
- Contribute to research in the efficacy of Classical Homeopathy,
- Facilitate the advancement of classical homeopathic education within our associated alternative and conventional medical communities.

### **Values:**

- Nurturing the Student Homeopath and Continuous Support of the Practitioner
- Spread the Values of Classical Hahnemannian Homeopathy
- Respect for All Humanity without Ego and without Bias

## Faculty

## IACH DIHom:

Once students have received their Diploma from the International Academy of Classical Homeopathy, they are entitled to use the credentials “IACH DIHom” (Diploma in Homeopathy from IACH) after their name. i.e. John Smith, IACH DIHom. This credential does NOT guarantee the right to legally practice in the student’s state/country of residency, as students must adhere to the laws of their own respective local, state and national government.

## Alumni/Find a Homeopath

Looking for a classical homeopath? IACH proudly presents our Diploma Holders worldwide. Please visit the following link for a detailed list of UK and International Graduates. [vithoukas.com/academy/diploma-holders-worldwide](http://vithoukas.com/academy/diploma-holders-worldwide)

## Union for Diplomate Homeopathic Physicians (UdiHoP)

Students who have received the Diploma of the IACH are invited to join our Union: <http://www.udihop.net> . **The Union For Diplomate Homeopathic Physicians (U.DI.HO.P)** is a scientific association. It is the only *Union* in the International Homeopathic Community in which the Members are uniformly educated.

The objective of the Union is the dissemination of Classical Homeopathy according to the principles of Dr. Samuel Hahnemann, Dr. James Tyler Kent, and Prof. George Vithoulkas. The function of the Union is purely and strictly scientific. Union members are entitled to display U.DI.HO.P after their name - i.e. John Smith, U.DI.HO.P.
